My-Portfolio

PROFILE

Penultimate year Information Technology student at NIT Jalandhar (CGPA 8.39) with experience designing full-stack and AI-powered software systems. Skilled in data structures, algorithms, backend engineering, and scalable application development, with open-source contributions and national-level hackathon achievements.

EDUCATION

- **Dr. B.R Ambedkar National Institute of Technology Jalandhar** Punjab, India
Bachelor of Technology, Information Technology; CGPA: 8.39 Aug 2024 – Jun 2028
Relevant Coursework: Data Structures and Algorithms, Object-Oriented Design, Operating Systems, Database Systems, Computer Networks, Software Engineering

SKILLS

- **Languages:** Python, C/C++, JavaScript, HTML, CSS
- **Backend & Systems:** REST APIs, FastAPI, Node.js, Express.js, MongoDB, Docker
- **AI / ML:** Machine Learning, Generative AI, NLP, Computer Vision
- **Frontend:** React.js, Tailwind CSS
- **Tools:** Git, GitHub, Postman, Jupyter Notebook, Vercel
- **Soft Skills:** Leadership, Event Management, Public Speaking

ACHIEVEMENTS & CERTIFICATIONS

- **Grand Finalist — Smart India Hackathon 2025:** Top 5 nationally out of over 2.3 lakh teams for PS 25141. [Credential](#)
- **1st Place — Women's Track, HackMol 7.0** (300+ teams), advancing to Top 20% overall, for developing a Multimodal AI deepfake detection system. [Credential](#)
- **Super100 Cohort — WISE Program, TalentSprint (Accenture):** Top 1% of 5,000+ applicants for tech & innovation.
- **Open Source Contributor — NITJ Placement Cell Portal:** 5+ merged PRs to campus-wide production platform.
- **GSSoC 2025 Contributor:** Merged **2 PRs** (bug fixes + features) for a 6,000+ developer community. [Credential](#)
- **Top 70 — HackMol 6.0** (36-hour hackathon, 750+ teams). [Credential](#)
- Solved **600+** problems on [LeetCode](#).

KEY DEVELOPMENT PROJECTS

OneAI — All AI, One Prompt — Individual Project [GitHub](#)

Tech Stack: Next.js, TypeScript, Python, FastAPI, Docker, Asyncio, Generative AI

- Designed a **multi-agent AI orchestration system** that distributed tasks, enhanced prompts, and ranked results for faster and higher-quality responses.
- Divided queries into **concurrent subtasks** across **3+ LLM agents**, cutting **response time by 50–65%**.
- Routed each query by **intent** and **synchronized outputs** across multiple LLMs, improving **response quality by 15–20%**.

HumanityCheck — AI Content & Deepfake Detector — HackMol 7.0 Winner [GitHub](#)

Tech Stack: React, Python, FastAPI, Chrome Extension, MediaPipe FaceMesh, SBERT, MesoNet, Wav2Vec

- Engineered a **Chrome extension** supporting **3+ platforms**, enabling **real-time AI detection** for text, audio, and video inputs.
- Integrated MediaPipe FaceMesh, SBERT, MesoNet, and Wav2Vec into a **3-layer detection architecture**.
- Optimized **AI detection efficiency by 30%** processing **10+ inputs/session**.

DoodleQuest — Gamified Learning Platform — SIH 2025 Grand Finalist [GitHub](#)

Tech Stack: MERN Stack (MongoDB, Express.js, React.js, Node.js)

- Implemented primary modules of a **full-stack educational web app** for children featuring AI-generated doodle hints, stories, and quizzes.
- Delivered **3+ core frontend components** — Screen Mode, Paper Mode, Story Section UI and **4+ backend API integrations** with Speech-to-Text and Text-to-Speech support.

POSITIONS OF RESPONSIBILITY

- **Core Member**, GDGC NIT Jalandhar Dec 2025 – Present
Contributed 7+ commits to HackMol 6.0 registration website, owning 1 key section end-to-end.
- **Society Member**, Cybernauts Society, NITJ Feb 2025 – Present
Hosted 2 coding competitions; mentored juniors on modern coding practices and development styles.
- **Core Member**, Literary & Debating Club, NITJ Nov 2024 – Present
Represented NITJ at 2+ debate tournaments; organized 3+ club events boosting student participation.

EXTRACURRICULAR EXPERIENCE

- **Rahat Debate Tournament**
Competed in **Asian Parliamentary debate** against **70+ teams** nationwide, collaborating in a **3-member team** to deliver structured arguments and real-time rebuttals across 5+ rounds.
